

APV Vorstand

Prof. Dr. Jörg Breitzkreutz studied Pharmacy at the Westfälische Wilhelms-Universität in Münster, Germany. In 1992 he obtained the grade „Diplompharmazeut“ at the Ernst-Moritz-Arndt-Universität Greifswald, Germany, and the pharmacy license. He finished his PhD in 1996 at the Institute for Pharmaceutical Technology and Biopharmaceutics in Münster. From 1996 to 1997 he joined Thiemann Arzneimittel GmbH in Waltrop, Germany, as the head of Product coordination. 2004 he obtained the habilitation for Pharmaceutical Technology and Biopharmaceutics for a work on paediatric drug formulations. Since 2004 he is professor for Pharmaceutical Technology at the Heinrich-Heine-University Düsseldorf, Germany. His research focuses on paediatric drug formulations, orphan drugs and process analytical technologies (PAT). He is vice chair of the APV focus group „Education and Science“, member of the formulation subgroup of the Paediatric Committee at the EMEA und founder of the European Paediatric Formulation Initiative (EuPFI).
