

## APV award for the two most outstanding doctoral theses in the pharmaceutical sciences in the years 2022/2023

APV (International Association for Pharmaceutical Technology) gives away this award to support young talents in the pharmaceutical sciences and in appreciation of an outstanding doctoral thesis in pharmacy. This award is connected with an amount of 2,500.- Euro kindly donated by Grünenthal GmbH and will be given away two times. The two awards will be presented at the “14<sup>th</sup> World Meeting on Pharmaceutics, Biopharmaceutics and Pharmaceutical Technology” taking place in Vienna, Austria, 18 - 21 March 2024.

Every European graduate who has obtained a PhD degree in the pharmaceutical sciences in 2022 or 2023 can apply for this award. The applications are reviewed by an international committee.

Written applications consisting of a curriculum vitae, publication list, list of poster presentations and lectures as well as the PhD thesis and a maximum of two reprints of important publications should be submitted as a ZIP-file by email to the chair of the APV award committee, Prof. Dr. Dr. h. c. Reinhard Neubert (e-mail: [apv@apv-mainz.de](mailto:apv@apv-mainz.de)), by 31 January 2024 at the latest. Only digital applications can be accepted.
