

Promoting young researcher: SKIN FORUM 2022

Sponsorship form

Promoting young researchers is one of the key goals of the SKIN FORUM 2022 in Malmö, Sweden. The low registration fee for students of 120.00 Euro, which is significantly less than the cost price, opens up the opportunity for young academics to attend the meeting. The focus of this meeting is to improve the scientific understanding of topical and transdermal applications through the collaboration between industry and academia for the benefit of consumers.

We have prepared attractive sponsorship packages for you to spotlight your company and your products. Increase your degree of brand awareness and communicate your brand values to your target group in the dermatology scene from 21 - 22 June 2022 in Malmö, Sweden.

Please find attached various possibilities to contribute to this Meeting.

We thank you in advance and look forward to associating you with this successful event!

Kind regards
 APV & Skin Forum
