

Promoting Young Researchers: SKIN FORUM 14th Annual Meeting
Percutaneous penetration – measurement, modulation and modelling

Dear colleagues,

Promoting young researchers is one of the key goals of the SKIN FORUM 14th Annual Meeting.

The low registration fee for students of 90.00 € (non-member fee 120.00€), which is significantly less than the cost price, opens up the opportunity for young academics to attend the meeting. The focus of this meeting is to improve the scientific understanding of topical and transdermal applications through the collaboration between industry and academia for the benefit of consumers.

We have prepared attractive Sponsorship Packages for you to spotlight your company and your products. Increase your degree of brand awareness and communicate your brand values to your target group in the dermatology scene from 4 to 5 September in Prague, Czech Republic.

Your sponsoring helps the organisers in their efforts to provide a highly professional platform for young as well as experienced researchers and to further develop the pharmaceutical sciences and the related worldwide network.

Please find attached various possibilities to contribute to this Meeting.

To discuss any of the sponsorship and exhibition opportunities further or if there is a promotion your organisation is interested in doing, but is not included, please contact Ms Cornelia Schmidt schmidt@apv-mainz.de or call +49 6131-97 69 10.

We thank you in advance and look forward to associating you with this successful event!

Kind regards
APV & Skin Forum
